BRIDGE CONSTRUCTION AT ROUTE 210/ROUTE 30 JUNCTION WILL REQUIRE SERIES OF NIGHT-TIME CLOSURES, DECEMBER 19-21

State Route 210 freeway construction will require several night-time ramp closures at the intersection with Route 30 in San Bernardino from December 19 to 21. The following is a list of the closures and detour information for each of the planned closures.

December 19-20 – 9 p.m. to 5 a.m.

The loop ramp will be closed on eastbound Route 30 to northbound Interstate 215. Motorists will be detoured east on Route 30 to H Street, and then north to Route 30 westbound to the northbound onramp onto Interstate 215.

December 20 – 9 p.m. to 5 a.m.

Northbound Interstate 215 south of Route 30 will be fully closed. This closure includes the eastbound Route 30 to northbound Interstate 215 loop ramp, Massachusetts Avenue on-ramp and 27th Street on-ramp. Motorists will be detoured from Interstate 215 via northbound Route 259 to Waterman Avenue exit, and then north to 30th Street and west onto Route 30 to the northbound onramp onto Interstate 215.

December 21 – 9 p.m. to 5 a.m.

Southbound Interstate 215 near California State University, San Bernardino will be fully closed. This closure will include the University Parkway on-ramp to southbound I-215. Motorists will be detoured from the freeway at University Parkway, west to Cajon Boulevard, south to 27th/Mt. Vernon Avenue, and then north to the southbound Interstate 215 on-ramp.

Signs will be placed each night to guide motorists through these detours. Please allow extra time, drive very carefully and slowly through this area and follow all posted signs and detour routes.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway.

Remember: Safety: It's no accident!
